JOURNAL OF AFFECTIVE DISORDERS

Author index

Alcock, J., see Koek, R.J. (53) 109
Allen, H., see Simpson, S. (53) 129
Altamura, C., Van Gastel, A., Pioli, R., Mannu, P. and Maes, M.
Seasonal and circadian rhythms in suicide in Cagliari, Italy (53) 77
Altshuler, L., see Suppes, T. (53) 95
Andersen, P.K., see Kessing, L.V. (53) 225
Aoki, S., see Morishita, S. (53) 275
Austin, M.-P., see Parker, G. (53) 1

Bardeleben, H., see Bühler, K.-E. (53) 67
Barrick, C.B.
Sad, glad, or mad hearts? epidemiological evidence for a causal relationship between mood disorders and coronary artery disease (53) 193
Beersma, D.G.M., see Mersch, P.P.A. (53) 35
Benvenuti, P., Ferrara, M., Niccolai, C., Valoriani, V. and Cox, J.L.
The Edinburgh Postnatal Depression Scale: validation for an Italian sample (53) 137
Berger, C., see Steiner, M. (53) 269
Bergman, U., see Isacsson, G. (53) 15
Boath, E., Cox, J., Lewis, M., Jones, P. and Pryce, A.
When the cradle falls: the treatment of postnatal depression in a psychiatric day hospital compared with routine primary care (53) 143
Boëthius, G., see Isacsson, G. (53) 15
Bonaccorso, S., see Maes, M. (53) 27
Bouhuys, A.L., see Mersch, P.P.A. (53) 35
Brown, C., Schulberg, H.C., Sacco, D., Perel, J.M. and Houck, P.R.
Effectiveness of treatments for major depression in primary medical care practice: a post hoc analysis of outcomes for African American and white patients (53) 185
Brown, E.S., see Suppes, T. (53) 95
Brüne, M.
The incidence of akathisia in bipolar affective disorder treated with neuroleptics — a preliminary report (53) 175
Brunner, D.P., see Kräuchi, K. (53) 23
Bühler, K.-E., Haltenhof, H., Geyer, S. and Bardeleben, H.
Reliability of biographical data, their relations to personality variables and their influence on life-events (53) 67
Burnett, F.E., Scott, L.V., Weaver, M.G., Medbak, S.H. and Dinan, T.G.
The effect of naloxone on adrenocorticotropin and cortisol release: evidence for a reduced response in depression (53) 263
Burns, A., see Simpson, S. (53) 129

Carter, D., see Steiner, M. (53) 269
Cervera-Martínez, G., see Livianos-Aldana, L. (53) 253
Corruble, E., Damy, C. and Guelfi, J.D.
Impulsivity: a relevant dimension in depression regarding suicide attempts? (53) 211
Cox, J., see Boath, E. (53) 143
Cox, J.L., see Benvenuti, P. (53) 137

Damy, C., see Corruble, E. (53) 211
Delmeire, L., see Maes, M. (53) 27
DeLuca, J., see Natelson, B.H. (53) 179
Denicoff, K.D., see Suppes, T. (53) 95
Denny, T., see Natelson, B.H. (53) 179
Dinan, T.G., see Burnett, F.E. (53) 263
Dominguez-Carabantes, J.A., see Livianos-Aldana, L. (53) 253

Ferrara, M., see Benvenuti, P. (53) 137
Foster, K.D., see Soutullo, C.A. (53) 279
Frye, M., see Suppes, T. (53) 95

Gänsicke, M., see Maier, W. (53) 241
Gater, R., see Maier, W. (53) 241
Gause, W.C., see Natelson, B.H. (53) 179
Geyer, S., see Bühler, K.-E. (53) 67
Goldman, D., see Sher, L. (53) 203
Goossens, F., see Maes, M. (53) 27
Grover, D., see Steiner, M. (53) 269
Guelfi, J.D., see Corruble, E. (53) 211

Hadzi-Pavlovic, D., see Parker, G. (53) 1
Haltenhof, H., see Bühler, K.-E. (53) 67
Haug, H.-J., see Kräuchi, K. (53) 23
Henriksson, S., see Isacsson, G. (53) 15
Føreland, A.R., see Lingjærde, O. (53) 91
Houck, P.R., see Brown, C. (53) 185

Isacsson, G., Boëthius, G., Henriksson, S., Jones, J.K. and Bergman, U.
Selective serotonin reuptake inhibitors have broadened the utilisation of antidepressant treatment in accordance with

S0165-0327(99)00077-4

recommendations. Findings from a Swedish prescription database (53) 15

Jones, J.K., see Isacsson, G. (53) 15
Jones, P., see Boath, E. (53) 143

Keck Jr., P.E., see Suppes, T. (53) 95
Keck, P.E., see Soutullo, C.A. (53) 279
Keller, U., see Kräuchi, K. (53) 23
Kessing, L.V.
The effect of comorbid alcoholism on recurrence in affective disorder: a case register study (53) 49
Kessing, L.V.
The effect of the first manic episode in affective disorder: a case register study of hospitalised episodes (53) 233
Kessing, L.V. and Andersen, P.K.
The effect of episodes on recurrence in affective disorder: a case register study (53) 225
Klapper, M.H., see Small, J.G. (53) 217
Klein, H.M., see Raison, C.L. (53) 99
Koch, W.J., see Woody, S. (53) 163
Koek, R.J., Yerevanian, B.I., Tachiki, K.H., Smith, J.C., Alcock, J. and Kopelowicz, A.
Hemispheric asymmetry in depression and mania. A longitudinal QEEG study in bipolar disorder (53) 109
Kopelowicz, A., see Koek, R.J. (53) 109
Kotler, M., see Osher, Y. (53) 87
Kräuchi, K., Keller, U., Leonhardt, G., Brunner, D.P., van der Velde, P., Haug, H.-J. and Wirz-Justice, A.
Accelerated post-glucose glycaemia and altered alliesthesia-test in Seasonal Affective Disorder (53) 23
Kupka, R., see Suppes, T. (53) 95

Lam, D., see Wong, G. (53) 57
LaManca, J.J., see Natelson, B.H. (53) 179
Lefkifker, E., see Osher, Y. (53) 87
Leonhardt, G., see Kräuchi, K. (53) 23
Leverich, G.S., see Suppes, T. (53) 95
Lewis, M., see Boath, E. (53) 143
Lin, A.-H., see Maes, M. (53) 27
Lin, E. and Parikh, S.V.
Sociodemographic, clinical, and attitudinal characteristics of the untreated depressed in Ontario (53) 153
Lingjærde, O. and Føreland, A.R.
Characteristics of patients with otherwise typical winter depression, but with incomplete summer remission (53) 91
Little, C., see Parker, G. (53) 1
Livianos-Aldana, L., Rojo-Moreno, L., Cervera-Martínez, G. and Dominguez-Carabantes, J.A.
Temporal evolution of stress in the year prior to the onset of depressive disorders (53) 253

Maes, M., Lin, A.-H., Bonaccorso, S., Goossens, F., Van Gastel, A., Pioli, R., Delmeire, L. and Scharpé, S.
Higher serum prolyl endopeptidase activity in patients with post-traumatic stress disorder (53) 27
Maes, M., see Altamura, C. (53) 77
Maier, W., Gänsicke, M., Gater, R., Rezaki, M., Tiemens, B. and Urzúa, R.F.
Gender differences in the prevalence of depression: a survey in primary care (53) 241
Malloy, F.W., see Small, J.G. (53) 217
Mannu, P., see Altamura, C. (53) 77
McElroy, S.L., see Soutullo, C.A. (53) 279
McElroy, S.L., see Suppes, T. (53) 95
McLean, P.D., see Woody, S. (53) 163
Medbak, S.H., see Burnett, F.E. (53) 263
Medlock, C.E., see Small, J.G. (53) 217
Mersch, P.P.A., Middendorp, H.M., Bouhuys, A.L., Beersma, D.G.M. and van den Hoofdakker, R.H.
Seasonal affective disorder and latitude: a review of the literature (53) 35
Middendorp, H.M., see Mersch, P.P.A. (53) 35
Milstein, V., see Small, J.G. (53) 217
Mitchell, P., see Parker, G. (53) 1
Morishita, S. and Aoki, S.
Clonazepam in the treatment of prolonged depression (53) 275

Natelson, B.H., Denny, T., Zhou, X.-D., LaManca, J.J., Ottenweller, J.E., Tiersky, L., DeLuca, J. and Gause, W.C.
Is depression associated with immune activation? (53) 179
Niccolai, C., see Benvenuti, P. (53) 137
Nolen, W., see Suppes, T. (53) 95

Osher, Y., Lefkifker, E. and Kotler, M.
Low persistence in euthymic manic-depressive patients: a replication (53) 87
Ottenweller, J.E., see Natelson, B.H. (53) 179
Ozaki, N., see Sher, L. (53) 203

Parikh, S.V., see Lin, E. (53) 153
Parker, G., Roy, K., Wilhelm, K., Mitchell, P., Austin, M.-P., Hadzi-Pavlovic, D. and Little, C.
Sub-grouping non-melancholic depression from manifest clinical features (53) 1
Patten, S.B.
Exogenous corticosteroid exposures are associated with increased recollection of traumatic life events (53) 123
Perel, J.M., see Brown, C. (53) 185
Pryce, A., see Boath, E. (53) 143
Pioli, R., see Altamura, C. (53) 77
Pioli, R., see Maes, M. (53) 27
Post, R.M., see Suppes, T. (53) 95

Raison, C.L., Klein, H.M. and Steckler, M.
The moon and madness reconsidered (53) 99
Reid, R., see Steiner, M. (53) 269
Rezaki, M., see Maier, W. (53) 241
Rojo-Moreno, L., see Livianos-Aldana, L. (53) 253
Rosenthal, N.E., see Sher, L. (53) 203
Roy, K., see Parker, G. (53) 1

Sacco, D., see Brown, C. (53) 185
Scharpé, S., see Maes, M. (53) 27

Schulberg, H.C., see Brown, C. (53) 185
Scott, L.V., see Burnett, F.E. (53) 263
Sher, L., Goldman, D., Ozaki, N. and Rosenthal, N.E.
The role of genetic factors in the etiology of seasonal affective disorder and seasonality (53) 203
Simpson, S., Allen, H., Tomenson, B. and Burns, A.
Neurological correlates of depressive symptoms in Alzheimer's disease and vascular dementia (53) 129
Small, J.G., Milstein, V., Malloy, F.W., Medlock, C.E. and Klapper, M.H.
Clinical and quantitative EEG studies of mania (53) 217
Smith, J.C., see Koek, R.J. (53) 109
Sorter, M.T., see Soutullo, C.A. (53) 279
Soutullo, C.A., Sorter, M.T., Foster, K.D., McElroy, S.L. and Keck, P.E.
Olanzapine in the treatment of adolescent acute mania: a report of seven cases (53) 279
Steckler, M., see Raison, C.L. (53) 99
Steinberg, S., see Steiner, M. (53) 269
Steiner, M., Streiner, D.L., Steinberg, S., Stewart, D., Carter, D., Berger, C., Reid, R. and Grover, D.
The measurement of premenstrual mood symptoms (53) 269
Stewart, D., see Steiner, M. (53) 269
Streiner, D.L., see Steiner, M. (53) 269
Suppes, T., Brown, E.S., McElroy, S.L., Keck Jr., P.E., Nolen, W., Kupka, R., Frye, M., Denicoff, K.D., Altshuler, L., Leverich, G.S. and Post, R.M.
Lamotrigine for the treatment of bipolar disorder: a clinical case series (53) 95

Tachiki, K.H., see Koek, R.J. (53) 109
Taylor, S., see Woody, S. (53) 163
Tiemens, B., see Maier, W. (53) 241
Tiersky, L., see Natelson, B.H. (53) 179
Tomenson, B., see Simpson, S. (53) 129

Urzúa, R.F., see Maier, W. (53) 241

Valoriani, V., see Benvenuti, P. (53) 137
van den Hoofdakker, R.H., see Mersch, P.P.A. (53) 35
van der Velde, P., see Kräuchi, K. (53) 23
Van Gastel, A., see Altamura, C. (53) 77
Van Gastel, A., see Maes, M. (53) 27

Weaver, M.G., see Burnett, F.E. (53) 263
Wilhelm, K., see Parker, G. (53) 1
Wirz-Justice, A., see Kräuchi, K. (53) 23
Wong, G. and Lam, D.
The development and validation of the coping inventory for prodromes of mania (53) 57
Woody, S., McLean, P.D., Taylor, S. and Koch, W.J.
Treatment of major depression in the context of panic disorder (53) 163

Yerevanian, B.I., see Koek, R.J. (53) 109

Zhou, X.-D., see Natelson, B.H. (53) 179

JOURNAL OF AFFECTIVE DISORDERS

Subject index

ACTH; Cortisol; Depression; Naloxone **53,** 263

Adolescent; Olanzapine; Bipolar disorder; Mania; Treatment-resistant; Atypical; Antipsychotic **53,** 279

Affective disorder; Alcoholism; Comorbidity; Case register; Recurrence **53,** 49

Affective disorder; Bipolar; Case register; Longitudinal data; Recurrence; Unipolar **53,** 225

Affective disorder; Bipolar; Case register; Depressive; Recurrence **53,** 233

African Americans; Major depression; Primary care practice; Treatment outcomes; Whites **53,** 185

Akathisia; Bipolar affective disorder; Neuroleptic treatment; Mood stabilizers **53,** 175

Alcoholism; Affective disorder; Comorbidity; Case register; Recurrence **53,** 49

Alliesthesia; Seasonal Affective Disorder; Glucose tolerance; Insulin; Carbohydrate craving **53,** 23

Alzheimer's disease; Vascular dementia; Depression; Neurological correlates **53,** 129

Antidepressant; Refractory depression; Clonazepam **53,** 275

Antidepressants; Treatment of depression; SSRIs; TCAs; Pharmacoepidemiology **53,** 15

Antipsychotic; Olanzapine; Bipolar disorder; Mania; Adolescent; Treatment-resistant; Atypical **53,** 279

Anxiety; Post-traumatic stress disorder; Peptidases; Depression; Peptides; Oxytocin; Arginine vasopressin **53,** 27

Arginine vasopressin; Post-traumatic stress disorder; Peptidases; Anxiety; Depression; Peptides; Oxytocin **53,** 27

Atypical; Olanzapine; Bipolar disorder; Mania; Adolescent; Treatment-resistant; Antipsychotic **53,** 279

Biographical data; Personality data; Cyclic causal processes; Life events **53,** 67

Bipolar; Affective disorder; Case register; Longitudinal data; Recurrence; Unipolar **53,** 225

Bipolar; Affective disorder; Case register; Depressive; Recurrence **53,** 233

Bipolar affective disorder; Akathisia; Neuroleptic treatment; Mood stabilizers **53,** 175

Bipolar depression; Lamotrigine; Treatment; Bipolar disorder; Mood lability **53,** 95

Bipolar disorder; Lamotrigine; Treatment; Bipolar depression; Mood lability **53,** 95

Bipolar disorder; Depression; Electroencephalography; Laterality; Longitudinal study; Mania **53,** 109

Bipolar disorder; Olanzapine; Mania; Adolescent; Treatment-resistant; Atypical; Antipsychotic **53,** 279

Carbohydrate craving; Seasonal Affective Disorder; Glucose tolerance; Insulin; Alliesthesia **53,** 23

Case register; Affective disorder; Alcoholism; Comorbidity; Recurrence **53,** 49

Case register; Affective disorder; Bipolar; Longitudinal data; Recurrence; Unipolar **53,** 225

Case register; Affective disorder; Bipolar; Depressive; Recurrence **53,** 233

Chronic fatigue syndrome; Major depression; Immune activation; Immunological function; Flow cytometric analysis; White blood cells; Reverse transcriptagse PCR **53,** 179

Circadian rhythms; Suicide; Seasons; Seasonality; Serotonin; Climate **53,** 77

Climate; Seasonal affective disorder (SAD); Latitude; Epidemiology; Prevalence; North America; Europe; Genetic vulnerability; Social–cultural context **53,** 35

Climate; Suicide; Seasons; Seasonality; Serotonin; Circadian rhythms **53,** 77

Clinical electroencephalography (EEG); Quantitative electroencephalography (qEEG); Mania; Pharmacotherapy; Family history **53,** 217

Clonazepam; Refractory depression; Antidepressant **53,** 275

Comorbidity; Affective disorder; Alcoholism; Case register; Recurrence **53,** 49

Coping Inventory for Prodromes of Mania (CIPM); Manic depression; Social functioning; Mood **53,** 57

S0165-0327(99)00078-6

Coronary artery disease; Depression; Mood disorders; Epidemiology **53,** 193

Corticosteroids; Life events; Depression, chemically-induced; Depressive disorder **53,** 123

Cortisol; ACTH; Depression; Naloxone **53,** 263

Cultural factors; General practice; Primary care; Unipolar depression; Gender; Social factors **53,** 241

Cyclic causal processes; Biographical data; Personality data; Life events **53,** 67

Depression; Non-melancholic sub-classification; Sub-typing **53,** 1

Depression; Post-traumatic stress disorder; Peptidases; Anxiety; Peptides; Oxytocin; Arginine vasopressin **53,** 27

Depression; Bipolar disorder; Electroencephalography; Laterality; Longitudinal study; Mania **53,** 109

Depression; Alzheimer's disease; Vascular dementia; Neurological correlates **53,** 129

Depression; Postpartum; EPDS; ROC analysis **53,** 137

Depression; Mood disorders; Coronary artery disease; Epidemiology **53,** 193

Depression; Seasonal affective disorder; Seasonality; Genetics **53,** 203
